2022 – 2023 PROFESSIONAL JUDGEMENT APPEAL

After December 31, 2021, a professional judgment for loss of income will not be considered until the 2020 & 2021 tax transcripts and W-2 forms are received.

The Office of Financial Aid can use their professional judgment to make adjustments on your Student Aid Report (SAR) because of unusual circumstances. You will have to provide enough documentation to support any adjustments. The Office of Financial Aid Administrator’s decision as to whether to make changes is final and cannot be appealed to the U.S. Department of Education.

We must resolve any inconsistent or conflicting information shown on the output document before making any adjustments. If you submit a PJ and you were selected for verification, you must complete verification before being considered for a professional judgment.

Listed below are examples of circumstances for which a professional judgment might be considered at Southwest Tennessee Community College. Other circumstances may be considered if warranted. Documentation must be attached for the request to be reviewed.

- If the student’s EFC (Estimated Family Contribution) is already zero (0), the professional judgment will not be reviewed because the student is already eligible for the maximum federal financial aid available.
- Submission and approval of a professional judgment does not guarantee a change in student’s financial aid eligibility.
