**S**OUTHWEST TENNESSEE COMMUNITY COLLEGE, founded July 1, 2000, is a comprehensive, multicultural, public, open-access college. It is one of the largest community colleges in the Tennessee Board of Regents system.

Southwest awards Associate of Arts and Associate of Science degrees for transfer to four-year colleges and universities, Associate of Applied Science degrees for immediate career entry, and Technical Certificates to prepare for entry-level positions. Areas of study include liberal studies, fine arts and humanities, natural and physical sciences, social and behavioral sciences, mathematics, allied health sciences, nursing, business studies, information technologies, engineering and related technologies, criminal justice, and education. The College is ever vigilant to incorporate new technologies and disciplines into the curriculum to serve new educational needs as they arise and are recognized by the community.

It is the College's mission to anticipate and respond to the educational needs of students, employers and communities in Shelby and Fayette counties and the surrounding Mid-South region; and to provide an effective teaching and learning environment designed to raise educational levels, enhance economic development and enrich personal lives.

Southwest Tennessee Community College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (1866 Southern Lane, Decatur, Georgia, 30033-4097, Telephone number (404) 679-4501) to award the Associate of Applied Science, Associate of Arts, Associate of Science, and Associate of Science in Teaching degrees, as well as certificates.

On November 4, 2014, Bill Haslam secured the largest re-election victory in modern Tennessee history.

Under his leadership, Tennessee is recognized as a national leader in education, economic development, efficient government and fiscal strength.

Since 2011, Tennessee students have been the fastest improving in the country in academic achievement. High school graduation rates are at an all-time high, and Tennessee is the first state in the nation to offer high school graduates two years of community or technical college free of tuition and fees.

Just three years into the governor's Drive to 55 initiative to increase the number of Tennesseans with a postsecondary degree or certificate to 55 percent by 2025, more Tennesseans are going to college and fewer need remediation when they get there. In fact, first-time freshmen enrollment increased 25 percent at community colleges and 20 percent at technical colleges in one year, and the college-going rate in Tennessee increased to a historic high of 62.5 percent in 2015.

**The Honorable Bill Haslam**

More than 375,500 private sector jobs have been created since Governor Haslam took office in 2011. Tennessee has been ranked No. 1 for advanced industry job growth, No. 1 for jobs created through foreign direct investment, and is the only three-time winner of "State of the Year" for economic development by *Business Facilities* magazine.

Working with the Tennessee General Assembly, the governor and his administration have cut more than \$500 million in recurring spending, shrunk state government by 5 percent, balanced the budget every year, kept taxes low, ensured Tennessee has the lowest debt in the country and more than doubled the state's savings account. Tennessee has been ranked the third best managed state in the nation, and for only the second time in state history, has been awarded a triple, triple-A bond rating.

In 2003, Bill ran successfully for mayor of Knoxville and was re-elected in 2007 with 87 percent of the vote. As mayor, he balanced eight consecutive city budgets, tripled the Rainy Day Fund, focused city government on providing services in an efficient manner, helped found key education initiatives, and recruited and retained thousands of jobs to Knoxville.

He and his wife, Crissy, a native of Memphis, have been married for 35 years and are blessed with three children and six grandchildren. For more than three decades, they have been members of Cedar Springs Presbyterian Church (EPC) in Knoxville where Bill serves as an elder.

Lori Ann Franklin is a non-traditional student, a native Memphian and a graduate of Melrose High School. Today, she will receive her Associate of Applied Science degree in Paralegal Studies.

At Southwest, Franklin was an active member of Phi Theta Kappa, and was inducted into the Southwest Honors Academy in 2015 and Lambda Epsilon Chi in 2017. She was a member of the Tennessee Intercollegiate Student Legislature Team (TISL) 2015, representing Southwest Tennessee Community College as a member of the House of Representatives and got her first bill passed for Homeless Veterans. In 2016, Franklin represented Southwest in TISL as a senator presenting eight bills; six of them were passed and sent to the TISL governor for signature.

In addition to pursuing her academic goals, Franklin is a member of the Mississippi Boulevard Christian Church where she serves as a facilitator for the Germantown Life Group, volunteers with the Home Point Center and volunteers in the Room at the Inn (a program for the homeless). Her hobbies include traveling and running. She has competed in several 5K Races including the St. Jude Marathon, the Susan G. Komen Race for the Cure and The Sisters in Motion Race for Infant Mortality. Franklin is a volunteer with Memphis Area Legal Services, Agape Memphis and the Serve Tour.

**Lori Ann Franklin**

Franklin's goal is to continue her education upon graduation by attending the University of Memphis and pursuing a Bachelor of Science Degree in Legal Studies. Her dream is to leave her footprint here on earth by leading by example, giving back to her community and leaving a legacy of service for future generations. She plans to work in the legal field as an advocate for Veterans and to continue volunteering with community-based outreach programs.

# *The Seal of Southwest Tennessee Community College*

---

The College Seal, much like a heraldic coat of arms, is symbolic of the College’s aspirations and mission. Southwest Tennessee Community College has incorporated both ancient and new elements and symbols into a seal that is 21st Century in design, to signify the College’s origin in this millennium and its commitment to the future.

The Southwest Seal is a circle, centered by a shield, which is quartered to hold four “charges,” denoting the general programs the College offers. The Torch, a symbol of general education, also stands for guidance, knowledge and enlightenment – the flame that lights the darkness of ignorance. The Gears represent the wide range of technological programs. The Atom, the most modern ideogram, symbolizes the natural sciences. The Caduceus, the most ancient symbol, illustrates the medical arts.

The Open Book, in the very center of the Seal, symbolizes knowledge and the wisdom of the universe. The Laurel Leaves, on which the shield rests, proclaim achievement, excellence and triumph. Finally, the Motto, KNOWLEDGE SERVICE OPPORTUNITY, sums up the Mission of the College.

## **Colors of the Seal:**

The College’s official colors are red (signifying life, warmth) and blue (signifying calm, reflection, intellect).

## **Use of the Seal:**

The Seal is used officially to authenticate documents, such as diplomas, transcripts, and in jewelry, such as college rings and nursing pins. It is engraved on the College Mace, which is carried in solemn procession by the faculty senate president, symbolic protector of the president of the College.

# *Presidential Medallion*

---

Bearing the seal of Southwest Tennessee Community College, the Medallion is symbolic of the College and represents the Office of the President. Worn by the President only during formal academic events, it signifies authority, trust, leadership, accomplishment and continuity of tradition. The sterling silver medallion, coin-struck with the College Seal, is supported by a double strand of silver links with eight sculpted silver shields. Each shield will eventually be engraved with the name and dates of tenure of a president of the College. The Medallion is a gift to the College from the Southwest Foundation.

# *The College Mace*

---

The mace as an ancient symbol of authority usually was a spiked club, carried in ceremony before a king or other ruler by an officer charged with his protection. The College Mace is an ornamental “Lamp of Knowledge,” representing the body of learning imparted by the faculty to enlighten students, and also symbolizing authority as embodied in the president of the College. The silver lamp is engraved with the College Seal and is mounted on a staff of silver and carved wood. The president of the Faculty Senate carries the mace before the College president during Commencement and other ceremonial occasions as a symbol of the protector of knowledge.

# Academic Regalia

---

Academic dress originated at universities in the Middle Ages when a warm gown and hood were necessary in unheated buildings. For centuries these gowns distinguished students from their fellow citizens; sometimes this distinction in dress symbolized unfortunate controversies between “town and gown.” The European habit of using academic robes came to this country in the eighteenth century with the founding of what is now Columbia University. In 1895, American universities and colleges standardized their styles of academic costumes, and this system, with occasional modifications, still is in force. Today, the various colors, trimmings and patterns of gown, hood and cap are all traditional and symbolize both the degree and field of learning.

**GOWNS:** American academic gowns are usually of black material, and their pattern varies with the degree held. The bachelor’s gowns are relatively simple in design with a closed front and long, pointed, open sleeves. Master’s gowns have an open front with long, closed sleeves, the arms extending through a slit at the elbow, giving the appearance of short sleeves. Doctoral gowns are the most elaborate, with velvet panels down the open front and three velvet bars on the bell-shaped sleeves.

**HOODS:** The hoods, differing in length for the three degrees (bachelor’s, master’s and doctor’s), are lined with the colors of the institution that granted the degree. Hoods are also trimmed with the color that heralds the major field of learning.

**CAPS:** A square mortarboard is the approved headgear. The tassel, fastened to the middle point of the top of the cap, is black or the color appropriate to the subject; it may be gold if the holder has a doctor’s degree. Southwest Tennessee Community College has adopted the practice of having candidates for the associate degree wear the tassels on the right front side before degrees are conferred and shift them to the left at the moment the degrees are awarded to them. In the last few years, many universities have returned to a distinctive gown design, using colors associated with the college or university. Some have replaced the mortarboard with a soft velvet tam with a gold tassel.

Hood and tassel colors represent categories of learning. All hoods are edged with the colors listed below. The same colors may be used for the facing and sleeve bars of doctoral gowns and tassels on bachelor’s and master’s caps.
