Education. Hanley-Maxwell, Cheryl

Explores education issues for people with disabilities and is one of eight volumes in the cross-disciplinary and issues-based series, which examines topics central to the lives of individuals with disabilities and their families.

Inclusive Education: a Systematic Perspective. Howley, Aimee

This book answers two questions: What does the implementation of inclusive education require of a system of education and all parts of the system? How do various parts of the education system act on their commitment to inclusive educational practice?.

An Introduction to Education. Arslan, Hasan

This volume offers a set of strategies and materials in education, developed to assist teachers in guiding their classroom and students in understanding fundamental subjects of teaching.

Education Abroad: Learning Environments in a Global Context.

Mikulec, Erin

Education abroad is an essential part of the university student experience. Initiatives such as IIE's Generation Study Abroad encourage more U.S. undergraduate and graduate students to study abroad.

Impact of Classroom Practices. Ellis, Antonio

The Impact of Classroom Practices: Reflections on Culturally Relevant Teachers will include African-American storytellers who reflect on the impact of classroom practices of teachers from diverse backgrounds who they deemed culturally relevant and responsive to both their academic and social needs.
